ECHOES OF *1965*

Robert Hackbirt

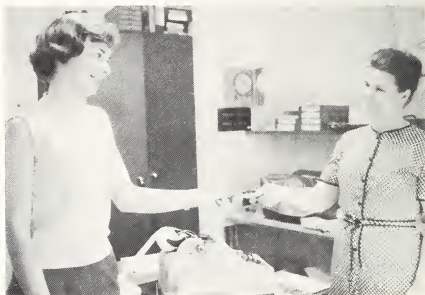

PRINCIPAL

"Each year our student body grows in numbers and in achievements. Each year school becomes more difficult because of steadily growing problems of space, equipment, scheduling, and providing more teachers. However, a continuous effort is being made to enrich and broaden our curricular offerings and to add to and broaden our activity program in order to meet the needs of all students. Each year excellent overall co-operation from faculty, students, and patrons have made this possible. You can get almost everything accomplished if you don't care who gets the credit."

Mr. R. V. Reed

"Waiting for a ring?"

"What--more money!"

SECRETARY

"I can truthfully say that I have enjoyed working with the students and faculty of Pierceton High School very much."

"I'd like to say thank-you to everyone for making this a pleasant year for me."

Mrs. Lois Porter

The senior class of 1965 held many projects this past year in striving to gain their trip to Washington, D.C. The class started its fund raising activities with a Christmas card sale. They made a good profit from the card sales. They had cake raffles at basketball games, worked the concessions rooms at all games, and sponsored numerous dances after the game. They made a success of their bake sale and rummage sale. They also held a successful car wash. Their next project was to sell Pierceton High School sweatshirts. This was one of the more successful projects considering the time and work involved. The last project was the Chicken Barbeque. They especially enjoyed working for this one since it was their last.

Winning Times-Union/WRSW awards were Jayne Ashley in social studies and Herb Wolter in science. This was Jayne's second year to win such an award. Another senior, Garth Cone, was the first athlete from Pierceton to graduate with 16 major athletic letters to his credit. Not only was the senior class a hard working one, but it was well represented in all areas of school activities.

JUNIOR CLASS

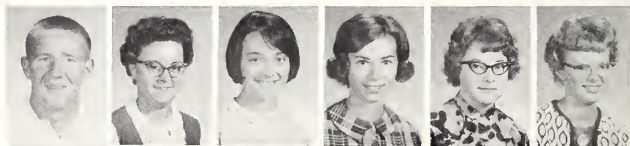

We made it--upper classmen at last! We were beginning to wonder if it would ever happen, but it has, and this magical year has gone all too fast! The junior class of 1965 has many memories to look back on--the day our class rings arrived when we strutted up and down the halls broke, but happy, the Junior-Senior Play, and the many hours of rehearsing, the night Cheryl Rager was crowned Basketball Queen, the class party at Huntington (that was one time the bus wasn't crowded), and many more events. The junior class was well represented in nearly all the clubs, organizations, and athletic teams of our school. We'll always remember our junior year as one of the most challenging and fun-filled of all our high school years.

CLASS

The Sophomore Class started the year by selling magazines, making a profit of over five hundred dollars. The highest salesman was Becky Evans, who sold \$150.00 worth of subscriptions. We elected Jean Rhinehart our Sophomore Queen Attendant. We also had three cheerleaders chosen from our class for the 1964-65 Basketball Season. They were: Becky Evans, Jean Rhinehart, and Karen Ringgenberg. The big event of the year was ordering our class rings. We were also very proud to have as our Sponsors, Miss Adler and Mr. Forsberg.

STUDENT COUNCIL

The Student Council sponsored the annual prom, "Enchanted Island." This was the climax of the council's activities. During the year the council members were busy decorating the stage for the Basketball Queen coronation, and sponsoring dances, and other activities.

Students join the Future Teachers of America club so that they may become more familiar with the teaching profession. Occasionally these members are asked to fill in for an absent teacher or to grade exams and, therefore, receive practical experience.

The FTA had many interesting programs this year such as: installation of officers; freshman initiation by the seniors; a Christmas party at Mrs. Lenwell's home; a panel discussion entitled "Teachers Are Human"; an informative talk by Mr. Ness, the guidance counselor; and some talk-a-rounds. The club paid for the seniors' meals at the annual spring banquet by sponsoring a dance and a cake raffle.

This year's junior and senior classes presented Thornton Wilder's American classic, "Our Town", on Oct. 20 and 21 under the direction of Mrs. Boley. This was the first year that we have presented the play on two nights, and the characters were portrayed by a double cast. Richard Stickney played the part of the stage manager; Cheryl Rager and Laura Stickler, Emily; Doug Gregory, George Gibbs; Scott Hanley, Dr. Gibbs; Barb Boggs and Kay Howell, Mrs. Gibbs; Dick Wells, Mr. Webb; and Jayne Ashley and Tamra Menzie, Mrs. Webb. This play brought to the audience both the joy and pathos of small town life, as seen through the lives--and a death--of the Webb and Gibbs families.

The Library Club met for a short class every Tuesday morning during Activity Period. We had one meeting a month after school to work on books, make catalog slips, etc. Our fall picnic, the Christmas party, and our spring outing are perhaps the highlights of our 1964-1965 Library Club year.

Our work in the library is something we will never forget and perhaps we can even use the experience gained in our future when we must choose a field to study in college or acquire a job.

GOLF

The 1965 season was the first season of golf for the Cubs. Finishing the year with a record of three wins, two losses, and two ties, this year's team was undeniably the finest Pierceton has ever had. With a sound nucleus of underclassmen returning, next year's team looks to be a sound one.

STANDING: Coach Sittler, Mike Miner, Rex Reid, Dick Wells, and Ed Christoffel, manager. KNEELING: Bill Bailey, Doug Gregory and Garth Cone.

This year Pierceton lost Garth Cone, Rex Reid, and Dick Wells to graduation. We will sincerely miss Garth's fine playmaking, Rex's fine rebounding, and Dick's fine outside shooting. Bill Bailey, Doug Gregory, and Mike Miner will be coming back to take our Cubs on to another outstanding year.

Attendance was taken at all home ball games by our officers. They were only allowed to miss two home ball games before they were dismissed from the block. The cheering block responded very well and were a great help to our team. The cheerleaders were very pleased with the cooperation received by them. The cheering block definitely helped the team and they appreciate it.

COUNTY CHAMPS FOR 4 YEARS!

This year's Cross Country team set a new county cross country record by scoring 24 points in the meet with Mike Miner, Gale Danner, and Doug Gregory capturing second, third, and fourth places. Not only did Pierceton win, but the nearest contender, Leesburg, was 43 points behind them.

Our boys proved themselves to be really good team by placing second in the Sectional meet, beaten by Bluffton by a very narrow 2 point margin, and eighth in the Regional.

Coach Sittler feels that we should be, and have every right to be, very proud of our Cross Country Team; they are the best team Pierceton has ever had.

Mike leads the team to another victory!

This year there were four school records broken. Rex Reid, senior, set a new pole vault record of 11' 9 1/2". Gale Danner, senior, bettered his previous efforts in the mile run and gave us a new record of 4:39.8. Gale also won first place in the Sectional Track Meet. Jim Faurote, sophomore, broke another long standing record in the 440 yard dash in the time of 52.7. This year's mile relay team composed of Garth Cone, senior; Gale Danner, senior; Doug Gregory, junior; and Jim Faurote, sophomore, established a new record for that distance in the time of 3:37.
